GHOST TOWN IN THE SKY

Where else can you re-live the daily thrills of life on the frontier in a beautiful Smoky Mountain setting? Nowhere but Ghost Town in the Sky in Maggie Valley, North Carolina. Begin your adventure with a ride up the mountain, on a chairlift or the incline railway, with spectacular views of the surrounding mountains and the valley below. A shuttle bus is also available. At the top the real fun begins. The atmosphere of the Old West surrounds you. Stroll the streets and enjoy the shows and displays. But watch out for the bank robbers!

What would life be like on the frontier without gunfights and bank robberies? You'll be on the edge of the action as you watch the Marshall round up the bad guys on Main Street. Following the show, have your picture made with the good guys or the bad guys!

Music, dancing, and hand-clapping fun await you in the entertainment halls. Belly up to the bar in the Old Silver Dollar Saloon. Enjoy the honky tonk piano and the high stepping dancers doing the old Parisian can-can. There's also a country music show featuring some of our best local entertainers. Visit Fort Cherokee and see the authentic Cherokee Indian Dancers. Along the way you'll find more attractions, games, shooting galleries—lots of ways to fill the day with fun!

A single admission price is your ticket to all rides and shows. Feel the thrill of the world's most unusual roller coaster as you swing out on the side of our mile-high mountain on the Red Devil Roller Coaster.

A good variety of food and drink is available throughout the Park. Our gift shops stock all kinds of merchandise for souvenir shopping. And you won't want to leave without a picture of you with a gunfighter or saloon dancer!

Ghost Town is open 7 days a week, from the first Saturday in May through the last Saturday of October. Convenient to Asheville, Cherokee, Gatlinburg, and Pigeon Forge. Fun for all ages!
